Mrs. Manley:

News travels slowly it seems, and this morning received first news from my secretary....Mrs. Linehan....that your team had won the Negro World's Series from the Negro American League titleholders, the Kansas City Monarchs, in a great series.

May I, at this time....from far away Hawaii, congratulate your team, Biz Mackey, Mr. Manley and yourself for the outstanding achievement, and team record for the year. We may have difficulties from time to time....that seems to be inevitable in the daily routine of life....but splendid performances warrant notice at any and all times.

Welch is out here with the Cincinatti Crescents, augmented by some boys from the Negro-American league, and in winning thirteen of thirteen, with three to go has likewise done an excellent job for Negro Baseball.

Closing with kindest personal regards, and greetings to mutual acquaintances in the field of baseball, I am

Very truly yours,

ABE SAPERSTEIN
